

ABOUT OUR EVENTS

Each year, the Cure SMA Walk-n-Roll program brings together thousands of people in more than 45 communities across the country to help us lead the way toward a world without spinal muscular atrophy. Walk-n-Rolls are fun, family-friendly events that bring together the SMA community – including those affected by the disease, family, friends, neighbors and co-workers – to raise funds for critical SMA research and patient care programs.

Sweet Baby Zane

On February 19, 2009 Zane Schmid - the beautiful daughter of Keith and Hillary, twin sister of Avery, and big sister to Brennen and Braxton - was diagnosed with SMA type I.

Zane passed away at just 5 1/2 months old. Since Zane's passing, the Schmid family continues to share Zane's story, educate others, and support those affected by SMA.
